STATE  SENATE

Paid for by the committee to elect Glenneda Zuiderveld, Tom Zuiderveld Treasurer

I am writing this letter to wholeheartedly endorse Lucas Cayler as the ideal candidate for the Idaho House District 11 Seat B.

His steadfast dedication to our great State leaves me with no doubt that he possesses the essential qualities and unwavering commitment required to represent Idaho, as well as his district, with the utmost effectiveness. What truly sets Lucas apart, and is a source of immense admiration, is his heartfelt desire to serve and his exceptional ability to listen to the concerns and needs of his fellow citizens.

Lucas has solemnly taken an oath to our beloved country during his dedicated service in the Navy, and that oath is a core part of his being. It fuels his unwavering commitment to tirelessly labor, demonstrate unyielding courage, and stand resolute in safeguarding our cherished State and U.S. Constitutions. In the spirit of our Founding Fathers, as articulated in the Declaration of Independence, Lucas is not only willing but prepared to devote his life, fortune, and sacred honor to ensure that the precious liberties and freedoms we hold dear as Idahoans and Americans are passed down intact to the generations that follow.

In Liberty,

State Senator  
Glenneda Zuiderveld  
District 24
